### ORDINANCE TO AMEND ENTERPRISE ZONE

Ordinance O2019CB004 was presented to amend the Taylorville-Christian County Enterprise Zone to include or add the City of Assumption to the current EZ boundaries. ### INTERGOVERNMENTAL AGREEMENT TO AMEND ENTERPRISE ZONE

The intergovernmental agreement to amend current enterprise zone was presented for approval. This agreement will amend the agreement by including the City of Assumption into the EZ with the City of Taylorville and Christian County. ### NEW COMPUTER REQUESTED FOR CHAIRMAN'S OFFICE

Recently, it was recommended that the aged desk computer be replaced with a new version. The actual age is not known, however, probably 10 years old. The request was to replace it and pay from contingency as the small office had not been carrying enough for a replacement cost. A motion was made by Tim Carlson and seconded by Vicki McMahan to approve the request. During discussion a request was made to get another quote to the \$1100 replacement and warranty information. The previous motion was rescinded by both members and a motion was made by Vicki McMahan and seconded by Venise McWard to allow a purchase up to \$800 from contingency for the replacement of the computer. The motion carried.

### BUDGET HEARINGS SET

Tuesday, July 30 and Wednesday, July 31 will be the initial budget hearings for the departments to present. Any late presentations will be on August 15 at the regular finance meeting. Tuesday, August 27 is set aside for further evaluation of all budgets. All budget hearings will begin at 6:00 pm. More information will be sent out to the departments soon.

Committee Chairman Clark Pearce called for a motion to adjourn by Vicki McMahan and seconded by Venise McWard. The motion carried.

Respectfully submitted,
