

Form PTAX-340 General Information

What is the Senior Citizens Assessment Freeze Homestead Exemption (SCAFHE)?

The Senior Citizens Assessment Freeze Homestead Exemption (35 ILCS 200/15-172) allows you, as a qualified senior citizen, to have your home's equalized assessed value (EAV) "frozen" at a base year value and prevent or limit any increase due to inflation. The base year generally is the year before the year you first qualify and apply for the exemption. For example, if you first qualify and apply in 2019, your property's EAV will be "frozen" at the 2018 EAV. **Freezing your property's EAV does not mean that your property taxes will not increase, however.** Other factors also affect your tax bill. For example, your tax bill could increase if the tax rate, which is based on the amount of revenues taxing districts request, increases. Your EAV and tax bill may also increase if you add improvements to your home. However, if your home's EAV decreases in the future, you will benefit from any reduction.

Who is eligible?

The senior citizens assessment freeze homestead exemption qualifications for the 2019 tax year (for the property taxes you will pay in 2019), are listed below.

- You will be 65 or older during 2019.
- Your total household income in 2018 was \$65,000 or less.
- On January 1, 2018, **and** January 1, 2019, you

 - owned the property, or had a legal or equitable interest in the property as evidenced by a written instrument, or had a leasehold interest in the property used as a single-family residence, and
 - were liable for the payment of property taxes.

You do **not** qualify for this exemption if your property is assessed under the mobile home privilege tax.

Surviving spouse — Even if you are not 65 or older during 2019, you are eligible for this exemption for 2019 (and possibly 2018) if your spouse died in 2019 and would have met all of the qualifications.

Residents in a health facility — Even if you did not use the property as your principal place of residence on January 1, 2019, you qualify for this exemption if you are a resident of a facility licensed under the Assisted Living and Shared Housing Act, Nursing Home Care Act, ID/DD (intellectually disabled/developmentally disabled) Community Care Act, or Specialized Mental Health Rehabilitation Act of 2013 and you meet all other requirements, have received this exemption previously, **and** your property is either unoccupied or is occupied by your spouse.

Step-by-Step Instructions

Part 1: Senior Homestead Exemption

Please enter your date of birth and current phone number. If you are certain that you do **not** qualify for the Senior Freeze Exemption, sign and date the form at the bottom and return to the address specified at the bottom of the form.

Part 2: Senior Freeze Exemption

“**Income**” for this exemption means 2018 federal adjusted gross income, **plus** certain items subtracted from or not included in your federal adjusted gross income (320 ILCS 25/3.07). These include tax-exempt interest, dividends, annuities, net operating loss carryovers, capital loss carryovers, and Social Security benefits. Income also includes public assistance payments from a governmental agency, SSI, and certain taxes paid. These Step-by-Step Instructions provide federal return line references and reporting statement references, whenever possible.

The amounts written on each line must include the 2018 income for you, your spouse, and **all** the other individuals living in the household.

Line 1 — Social Security and Supplemental Security Income (SSI) benefits

Write the **total** amount of retirement, disability, or survivor’s benefits (including Medicare deductions) the entire household received from the Social Security Administration (shown on Form SSA-1099, box 3 or use box 5 only if there is a reduction of benefits). You also must include any Supplemental Security Income (SSI) the entire household received and any benefits to dependent children in the household. Do not include reimbursements under Medicare/Medicaid for medical expenses.

Note: The amount deducted for Medicare (\$1,258.80 yearly or \$104.90 per month, per person) is already included in the amount in box 3 of Form SSA-1099.

Line 2 — Railroad Retirement benefits

Write the total amount of retirement, disability, or survivor’s benefits (including Medicare deductions) the entire household received under the Railroad Retirement Act (shown on Forms SSA-1099 and RRB-1099).

Line 3 — Civil Service benefits

Write the total amount of retirement, disability, or survivor’s benefits the entire household received under any Civil Service retirement plan (shown on Form 1099-R).

Line 4 — Annuities and other retirement income

Write the total amount of income the entire household received as an annuity from any annuity, endowment, life insurance contract, or similar contract or agreement (shown on Form 1099-R). Include only the federally taxable portion of pensions, IRAs, and IRAs converted to Roth IRAs (shown on U.S. 1040, Line 15b and 16b, or U.S. 1040A, Line 11b and 12b). IRA’s are not taxable when “rolled over,” unless “rolled over” into a Roth IRA.

Line 5 — Human Services and other governmental cash public assistance benefits

Write the total amount of Human Services and other governmental cash public assistance benefits the entire household received. If the first two digits of any member’s Human Services case number are the same as any of those in the following list, you must include the total amount of any of these benefits on Line 5.

- | | |
|--------------------|--|
| 01 aged | 04 and 06 temporary assistance to |
| 02 blind | needy families (TANF) |
| 03 disabled | 07 general assistance |

To determine the total amount of the household benefits, multiply the monthly amount each person received by 12. You must adjust your figures accordingly if anyone in the household did not receive 12 equal checks during this period.

Food stamps and medical assistance benefits anyone in the household may have received are not considered income and should not be added to your total income.

Line 6 — Wages, salaries, and tips from work

Write the total amount of wages, salaries, and tips from work for every household member (shown in box 1 of Form W-2).

Line 7 — Interest and dividends received

Write the total amount of interest and dividends the entire household received from all sources, including any government sources (shown on Forms 1099-INT, 1099-OID, and 1099-DIV). You must include both taxable and nontaxable amounts.

Line 8 — Net rental, farm, and business income or (loss)

Write the total amount of net income or loss from rental, farm, business sources, *etc.*, the entire household received, as allowed on U.S. 1040, Lines 12, 17, and 18. You **cannot** use any net operating loss (NOL) carryover in figuring income.

Line 9 — Net capital gain or (loss)

Write the total amount of taxable capital gain or loss the entire household received in 2018, as allowed on U.S. 1040, Lines 13 and 14, or U.S. 1040A, Line 10. You **cannot** use a net capital loss carryover in figuring income.

Line 10 — Other income or (loss)

Write the total amount of other income or loss not included in Lines 1 through 9, that is included in federal adjusted gross income, such as alimony received, unemployment compensation, taxes withheld from oil or gas well royalties. You **cannot** use any net operating loss (NOL) carryover in figuring income.

Line 11 — Add Lines 1 through 10.

Line 12 — Subtractions

You may subtract only the reported adjustments to income totaled on U.S. 1040, Line 36 or U.S. 1040A, Line 20. For example

- IRA deduction
- Archer MSA deduction
- moving expenses
- alimony or maintenance paid
