## ACKNOWLEDGEMENT OF UNDERSTANDING AND CONSENT

Please read thoroughly before signing

It is understood that this application is not an obligation of employment.

I hereby authorize the company to investigate all references and former employment, and I release from liability those supplying such information. Upon offer of employment, I agree to take a drug test at the company's expense and realize that the offer of employment is contingent upon my test results being drug-free.

I will provide proof of my eligibility to work within three (3) business days as required by "The Immigration Reform and Control Act of 1986".

I understand that the company can make no guarantee as to the numbers of hours that I may be assigned from week to week, and any reduction in hours can affect my compensation and benefits. I also understand that I may be required to change days off and scheduled hours on a temporary or regular basis in order to continue my employment. Also, I understand that the County reserves the right to transfer me, as business necessitates, and my continued employment may be predicated upon my acceptance of said transfer. I understand that evenings or weekends may be part of any schedule I may be assigned.

I understand that my employment may not be governed by any written or oral contract and is considered an "at will" arrangement. I understand that I am free, as is the County, to terminate employment at any time for any reason, so long as there is no violation of applicable Federal or State law unless modified by a collective bargaining agreement.

I state that the information on this application is true and complete. False statements, misrepresentations, or omission may be cause for cancellation of an employment offer or termination, even if already employed. I agree that I have read and understand the above acknowledgements and agreements and recognize all of the above as conditions of employment.

I understand that if employed in a position governed by a collective bargaining agreement to which the County is a party that once I am covered by the agreement its terms may supersede some of the statements in this acknowledgement of understanding.
